Alain Pons, Philippe Huet : Impressions of Africa before purchasing it in order to gage whether or not it would be worth my time, and all praised Impressions of Africa:

Illustrates the emotional attraction of the continent's very being - the grandeur, the natural beauty and the multifarious animal kingdom - and inspires a dream of the magic of Africa, the land of mans' origin.

About the AuthorAlain Pons began his career as a graphic designer and helped with the launching of wildlife magazines such as l'Univers du Vivant and Terre Sauvage. Philippe Huet is a naturalist, travel writer, documentary maker, producer and former chief editor of the magazine, Science and Nature.
