Thirty miles off the Cape Cod shore sits the quaint historic island of Nantucket, the Far Away Island. Once one of the

richest towns in America thanks to its leading role in the whaling industry, the island reinvented itself in the twentieth century as a destination spot for tourists. This traveler's guide takes you on a round-the-island tour, noting its infamous cobblestone streets, world-renowned restaurants, museums, fabulous shops, and acres of conservation lands. You'll discover the historic homes, lighthouses, and beaches that make the island famous, but also some truly incredible locations only a local would know. Brant Point Lighthouse, the Nantucket Whaling Museum, Madaket Beach, and Sconset Village are only the beginning. See why Nantucket is a favorite vacation spot for everyone from families with young children to corporate executives looking for a paradise to truly get away from it all.

About the Author Christopher Setterlund is a 12th generation Cape Codder with some famous names from the area decorating his family tree. His vivid descriptions and crisp photos help paint pictures for the reader, making them feel as if they are walking in his footsteps.
