Blue Clark : Indian Tribes of Oklahoma: A Guide (The Civilization of the American Indian Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Indian Tribes of Oklahoma: A Guide (The Civilization of the American Indian Series):

0 of 0 people found the following review helpful. So glad I got the Kindle versionBy KTGetting the Kindle edition of this book was a great decision. You can go to URLs that are embedded in text. Also, if you don't know a word you can

select the word as you read and the Kindle defines it. I love using this text book on my Kindle Paperwhite. I am hoping that more of my textbooks will offer Kindle editions like this one.0 of 0 people found the following review helpful. The book is interesting but has very little information on ...By Sandra Y BennettThe book is interesting but has very little information on the Creek/Muskogee Indians, which was the group I was researching.0 of 0 people found the following review helpful. GoodBy VJALive in Oklahoma but it has been many years since I took Oklahoma History in school. Wanted to review Indian tribes and history. This book was perfect.

Oklahoma is home to nearly forty American Indian tribes, and includes the largest Native population of any state. As a result, many Americans think of the state as Indian Country. For more than half a century readers have turned to Muriel H. Wright's *A Guide to the Indian Tribes of Oklahoma* as the authoritative source for information on the states Native peoples. Now Blue Clark, an enrolled member of the Muscogee (Creek) Nation, has rendered a completely new guide that reflects the drastic transformation of Indian Country in recent years. As a synthesis of current knowledge, this book places the states Indians in their contemporary context as no other book has done. Solidly grounded in scholarship and Native oral tradition, it provides general readers the unique story of each tribe, from the Alabama-Quassartes to the Yuchis. Each entry contains a complete statistical and narrative summary of the tribe, encompassing everything from origin tales and archaeological research to contemporary ceremonies and tribal businesses. The entries also include tribal websites and suggested readings, along with photographs depicting prominent tribal personages, visitor sites, and accomplishments.

"An invaluable, masterfully compiled reference on Oklahomas contemporary Indian tribes. Clara Sue Kidwell, author of *The Choctaws in Oklahoma: From Tribe to Nation, 1855-1970*
