**Guy Buckles : Indonesia (Globetrotter Dive Guide)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Indonesia (Globetrotter Dive Guide):

Fully revised and updated with new entries on dive sites and operators, this diving guide features detailed coverage of more than 100 dive and snorkel sites around Indonesia. Region by region, it looks at the premier sites, describing access, conditions, marine life and special points of interest. It also has practical travel information, tips on diving techniques and safety, and advice on the best local restaurants and accommodation.

About the Author Guy Buckles is an accomplished writer who ran a successful dive operation in South-east Asia for many years. He is also the author of *Globetrotter Dive Guide: The Red Sea (New Holland)*.
