Don Vandeventer : InnGetaways Virginia: A Photographic Guide To Bed Breakfasts and Inns before purchasing it in order to gage whether or not it would be worth my time, and all praised InnGetaways Virginia: A Photographic Guide To Bed Breakfasts and Inns:

An insiders guide to 112 BB's, 100 restaurants, and more than 300 points of interest.

Don Vandeventer's Virginia is a photographic guide to 112 of Virginia's top Bed Breakfasts and Inns. Each was personally visited, stayed in, and photographed by Vandeventer who has included hundreds of interior and exterior photographs as well as suggestions on things to do, attractions to visit and places to dine. In the course of preparing InnGetaways Virginia, Vandeventer visited more than 350 of Virginia's points of interest, ate at hundreds of locally-owned restaurants, conducted more than 40 hours of taped interviews, shot 20 hours of video, took nearly 3,000 photographs, and then condensed it all into an outstanding, 288 page, 448 photo illustrated guidebook. InnGetaways Virginia is an essential companion for any visiting traveler or vacationer, and has a great deal to offer even native Virginians with an interest in exciting and exploratory day-trips. -- Midwest Book
