A little dated, but the information is still valid for today.1 of 16 people found the following review helpful. The Place is a Gold MineBy Meagan GearyAs I was writing in my journal with the informational facts about Death Valley,it's amazing how the Geologistsknew the formation of the National Park.Those

people knew where and how Death Valley was created. Not only by land and sea, even God himself made Death Valley a beautiful place. Yet, there are some parts that were deserted that made Death Valley forbidden, and mysterious. There is more to Death Valley that were undiscovered, I get the feeling that it should be televised and to be discovered.
