Tania Casselle : Insiders' Guide to Albuquerque (Insiders' Guide Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Insiders' Guide to Albuquerque (Insiders' Guide Series):

1 of 1 people found the following review helpful. Four StarsBy BRENT BAGLEYNice look at the 'Duke City'2 of 3 people found the following review helpful. great resouceBy BETHI'm in the process of getting ready for a move to Duke City and brought this book to help me understand and learn about city. My expectations were modest but this book as really been helpful. It has interesting facts that my kids find interesting and helped explain the layout of the

city and what would be a good neighborhood to live in. It also describes places to eat at and visit in the city. The book is easy to read and broken up into sections. All of which give information but not in a dry boring way. It has made me feel more comfortable about moving there. 2 of 4 people found the following review helpful. Good guide
By Melinda Phil
We live in Albuquerque and thought we should try and see if we were missing anything. Good basic guide to the city.

Insiders' Guide to Albuquerque is the essential source for in-depth travel and relocation information to one of New Mexico's most colorful cities. Written by a local (and true insider), this guide offers a personal and practical perspective of Albuquerque and its surrounding environs.
