Felix Winternitz, Sacha Devroomen Bellman : Insiders' Guide to Cincinnati before purchasing it in order to gage whether or not it would be worth my time, and all praised Insiders' Guide to Cincinnati:

1 of 1 people found the following review helpful. Great City GuideBy Robert Von GerdsThe Insiders Guide to Cincinnati is a great city guide. I bought the book shortly after I moved here to get an idea of the sights, museums and restaurants in the area. I got a lot more than I bargained for. Great for anyone moving here or planning to visit.

This guide provides an ever-important locals' eye view to the surprisingly happening Queen City. Discover Cincy and find everything you want in a city -- arts, professional sports, museums, culture, great restaurants and shopping -- without the high crime rates and overcrowded schools. It's an absolute must for locals, newcomers and visitors.
