Laura Hurwitz : Simply Nantucket before purchasing it in order to gage whether or not it would be worth my time, and all praised Simply Nantucket:

1 of 6 people found the following review helpful. Simply Nantucket By Glenn M. Fox First! No vacation home coffee table would be complete without this book. Buy it new so no coffee table will ever have to endure the sorrow of being estranged from their copy.

Described as the place that time forgot, the city and island of Nantucket is a summer vacation destination without equal. Surrounded by 82 miles of white sandy beaches, Nantucket boasts an ecological abundance and reverence to the past that is rivaled only by its sense of community and tradition. Simply Nantucket is a photographic celebration of this unique and beautiful place where American history remains alive and well in the present.
