Arnold Snyder : Sin City Advisor's Topless Vegas before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sin City Advisor's Topless Vegas:

Sin City Advisor's Topless Vegas is the ultimate information source when it comes to girls peeling off their underthings in public. This town is home to 20 topless and 9 completely nude clubs, 10 topless casino shows, and 12

adults-only topless pools. With so many choices, you need an honest resource to tell you which options are right for you, what to expect for your money, how to avoid getting ripped off, and the tricks the locals use to have the maximum fun at the minimum cost. With this book you'll learn how to avoid entrance fees at strip clubs, how to navigate Las Vegas' booming day-life topless pool scene, when the nude clubs are a better value than the topless joints, which casino production shows have the hottest dancers, why the lap dance law in Nevada is the loosest in the country, and most importantly, how to select from among 51 choices for topless entertainment in the skin capital of the world. Topless Vegas tells you everything you need to know to immerse yourself in a world of topless women--without losing your own shirt.
