**Bird : Six Months in the Sandwich Islands (Tut Books)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Six Months in the Sandwich Islands (Tut Books):

0 of 0 people found the following review helpful. Fantastic book. I grew up in the islands in ...By barbara e. kiyosakiFantastic book. I grew up in the islands in the 50's, before and after statehood. Places she described I knew so well, and could imagine being right where she travelled. This is of a time before too many people crowded the islands.0 of 0 people found the following review helpful. Amazing look back at HawaiiBy Heather B.It is fascinating to read about Isabella's experiences in Hawaii during this time period. She is extremely descriptive which makes the book interesting and helps the reader visualize how amazing her journey was.0 of 0 people found the following review helpful. Isabella Bird was an amazing woman. I'm very glad I read this bookBy Charlotte BaldwinThis book turned out to be way more interesting than I thought it would be. Isabella Bird was an amazing woman. I'm very glad I read this book.

1992 Charles E. Tuttle trade PB., 10th printing. Isabella Bird, remarkable woman traveler of the mid-19th century, describes living in Hawaii in 1873.
