**Sharon Birlson Kirkham : Skygirl On Cloud 9** before purchasing it in order to gage whether or not it would be worth my time, and all praised Skygirl On Cloud 9:

"Skygirl On Cloud 9" is an entertaining narrative of the amazing globe-trekking adventures of flight attendant Sharon Birlson Kirkham. Each amusing account recalls one of the exciting opportunities Sharon and her husband Cary have experienced through-out her career, and since. While she says they've done their best to see as much as possible, "the world is a really big place. There are hundreds more trips to be taken and stories to be written, 'but' there are only 365 days in a year...."
