0898868491256 pagesCovers 72 scenic snowshoe trails in Massachusetts, Vermont, New Hampshire, and
Maine that range from beginner to expert. Helpful trip-planning chart at the front of the guide identifies
which trails have water and ice features, meadows, interesting rock formations, awesome views, summit
climbs, and historic features, as well as which are best for family outings and wildlife sightings so you can
pick a trip at a glance.Includes information on snowshoe-friendly accommodations, backcountry huts, and
guided snowshoe trips. 2006, first edition, 256 pages. 8.3 x 5.3 x 0.4 in.. | File size: 79.Mb

Diane Bair, Pamela Wright : Snowshoe Routes: New England - Massachusetts, Vermont, New Hampshire, Maine before purchasing it in order to gauge whether or not it would be worth my time, and all praised Snowshoe Routes: New England - Massachusetts, Vermont, New Hampshire, Maine:

0 of 0 people found the following review helpful. Great Snowshoe Routes Guide!By C. P. LiddleI spend a week of winter in New Hampshire every year (I'm a relocated (for work) New Englander living in Texas). A couple of years ago, I tried snowshoeing (I'm usually snowboarding) and fell in love with the sport! This guide is quite specific and provides great locations throughout New England. I looked at a number of guides before choosing this one.4 of 4 people found the following review helpful. Very useful.By Gopi RajaseharanMy goal this year is to snowshoe a 100 miles of trails in New England. This was both for fitness as well as "I don't want to rusticate in town" reasons. When you have a goal like I do, you don't want to spend reading a generic "guidebook". For me that usually has only ended in "paralysis-analysis". You want something specific like this book that can tell you how to get to a trailhead, do the trail, watch out for a few views and then go home. I have snowshoed 20 trails described in this book. The description of most of the trails was very close. For a couple of them, I had had to look around briefly here and there to stay on the trail. Nothing challenging really. I am not a tracker and I managed that quite easily. A very useful book and its available on kindle so I have it on my smartphone.1 of 1 people found the following review helpful. gotta have for winter snow shoeing and hikingBy Just the manWe found tons of hikes with this book. No disappointments. Very accurate in description. Will use it for years! Keep warm!

* 75 snowshoe routes in Massachusetts, Vermont, New Hampshire, and Maine * Trails within driving distance of urban areas throughout New England, including Boston, Hartford, Providence, Burlington, Concord, and Portland * A handy trip-planning chart compares snowshoe routes by trail data and scenic highlights From the White Mountains in New Hampshire and Acadia National Park in Maine to the Berkshires in Massachusetts, the Northeast Kingdom in Vermont, and everything in-between, this new snowshoe guide offers snowshoe routes for people of all ages and abilities, from beginner to backcountry expert. Trips lead deep into snow-blanketed woods, past frozen waterfalls and lakes, up challenging peaks, and to scenic views only accessible by snowshoes. For each route, driving directions, level of difficulty, round-trip mileage, hiking time, and elevation gain are all noted. You'll also find helpful information on choosing the right snowshoes, what to wear, suggestions for safe winter driving, safety tips for backcountry snowshoeing, and much more.

"A guidebook that sparks the imagination and invites exploration." (Portland Press)Ingersoll knows his way around the woods as well as anybody, and he provides the information a hiker needs.
