From Triumph Books : So Good!: The Incredible Championship Season of the 2007 Red Sox before purchasing it in order to gauge whether or not it would be worth my time, and all praised So Good!: The Incredible Championship Season of the 2007 Red Sox:

16 of 16 people found the following review helpful. Twice is Nice.By The Ginger ManI have both the Boston Globe and Boston Herald books on the 2007 Sox win and found the Globe version much superior. The book is divided into sections on the World Series, ALCS, Division Series and 07 season. Each section begins with a brief narrative from Globe columnists (2 written by Edes and one each by Shaughnessy and Macmullan.) In each case, this is followed by a collection of full page and double page photos. There are some outstanding and iconic shots: Ellsbury's catch in the last inning of the Series, the Sox dugout while losing in Cleveland, Manny's reception at home after his walk-off HR in the ALDS, and Youkilis being hit by a pitch.Other features include a game by game summary of the season, an

analysis of Beckett and Dice-K starts and 9 pages of photos of members of Red Sox Nation. There are not as many books available as after the 2004 win. So far, So Good is the definitive picture summary. 1 of 1 people found the following review helpful. great collectors item for devoted Red Sox fan from Down Under By Anthony McGillan excellent photographic remembrance of a great Red Sox season; very well put together by The Boston Globe and much appreciated by a member of the Nation

After an 86-year World Series drought, the 2004 Boston Red Sox engineered the greatest comeback in baseball history. Then, three short years later, they did it again--sweeping the Rockies to become the 2007 world champions of baseball. Celebrate an amazing team--its players, manager, and rich history--and an incredible season.

About the Author The Boston Globe was founded in 1872 and is the recipient of 21 Pulitzer Prizes. It is located in Boston.
