**Steve Kahn : Soho New York** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Soho New York:

8 of 9 people found the following review helpful. A beautiful photographic work of SoHo By maxinebr@aol.com Steve Kahn has captured the essence of SoHO-the old the new, the chic the artsy. His photographs are crisp and inviting, imaginative and creative. I've been to SoHo many times but never viewed it through so many different angles. Bravo, Mr. Kahn. What a marvelous job!

Captures the spirit of SoHo with 150 photographs of street scenes.

About the Author Steve Kahn is an artist and a commercial photographer with more than 30 years of experience

creating images. His work is represented in the collections of, among other institutions, the San Francisco Museum of Modern Art, the Houston Museum of Fine Arts, and the Bibliotheque Nationale in Paris; he has also been the recipient of a National Endowment for the Arts fellowship. Steve currently lives with his wife and daughter in a cast-iron loft building in the heart of SoHo. [www.stevekahn.com](http://www.stevekahn.com) Eric Nash is a researcher at the New York Times Magazine and the author of several books on New York City's architecture.
