Jan Fleming : Song of Iowa: Iowa Its Beauty Bounty Diversity before purchasing it in order to gage whether or not it would be worth my time, and all praised Song of Iowa: Iowa Its Beauty Bounty Diversity:

1 of 1 people found the following review helpful. Good idea,poor graphics,weak writing,PAPERBACK!By A CustomerA picture book of Iowa scenes and people. Sixty percent of photos are professional and interesting; the rest are amatuerish, out of focus, and pointless, plus awful "cut out" collages-in my opinion. Book does not "read" well, nor does it hold up to normal handling- a PAPERBACK "coffee table" book?? NOT!! A real contradiction in quality-some images suitable for framing, next to fuzzy snapshots! NOT a true picture OR song of Iowa.0 of 0 people found the following review helpful. Makes Iowa look uglyBy A CustomerIowa's a great state but this book doesn't show it. It's a haphazard collection of some truly great photographs unfortunately mingled with very very amateurish stuff. The writing is horrible. Can we rate this book as a quarter-star instead of one? It's that low.
