Mackey Everyone has seen David Hyde Pierce on the popular TV series Frasier where he plays the brother Niles. Well what most of us did not know is that both Niles and David in real life are wine Geeks. David is very knowledgeable about wine, has a keen pallet and loves to talk about wine. He does it so well in this naration about Sonoma wine country and the wineries and the wines. Living in Sonoma, I have many relatives and guests back East who want to come out and visit the wineries. Before they come, I always loan them a copy of Sonoma Uncorked so they can prepare their itinerary and at the same time get in the mood for their visit. If you have a CD player in your car, you can listen to David's soothing and melodic voice give you all the inside tips you may need in visiting Sonoma. He gives a lot of good history, gossip and trivia that makes a Sonoma visitor feel more at home and gain the most from California's best wine country!.
