I not only found it but found a used version for next to nothing. I love it. The book is beautiful. It was gently used and now has a permanent spot on my coffee table for all to see.1 of 1 people found the following review helpful. Richard Bernabe is a guru of light.By Doug WalkerI am very biased because I took one of Richard's workshops. This man works his butt off to get the best photographs. It shows in his pictures and how he treats his students. Richard's composition is simply breath taking and he has helped me see the light. Even if you are not a photographer but love South Carolina this is a book to be proud of and a wonderful display piece in your home or office.Cheers Richard on a wonderful book and thanks for teaching me your fabulous ways of capturing light...doug0 of 0 people found the following review helpful. I'm in love with a beautiful state!!By JazzI bought this because I love his photographs and I wasn't disappointed. I live in UK and knew nothing about South Carolina but now I have fallen in love with it!!What an amazing book/photographer/state.

From the dramatic mountain vistas of the Blue Ridge Escarpment to the broad sandy beaches and remote barrier islands of the Atlantic coast, this photographic journey captures the beauty and diversity of South Carolina's natural

landscapes.

About the Author Richard A. Bernabe writes a monthly column for the South Carolina Sportsman and has had hundreds of images published in magazines, calendars, and books, including Fly Fisherman Magazine, Greenville Magazine, South Carolina Magazine, South Carolina Wildlife, Tennessee Wildlife, Trail Runner Magazine, Trout Unlimited, and Wildlife in North Carolina. He lives in Greer, South Carolina.
