Beautiful book By Ellen We have hosted exchange students for 6 years now. since I found this book, it has been a welcome present for every young lady who I welcome into our family as we live in the middle of this area. The girls love to see all these places that they have seen in their book. 0 of 0 people found the following review helpful. Five Stars By BPK A lovely coffee table picture book of my home area. 0 of 0 people found the following review helpful. My friend loved it as a gift! By Capewriter Gave it to a friend who needed some love and she was so happy about it.

"An exceptional landscape photographer celebrates the west coast of Buzzards Bay, from Onset to Westport, with New Bedford at the center."
