before purchasing it in order to gauge whether or not it would be worth my time, and all praised South Dakota Nature Set: Field Guides to Wildlife, Birds, Trees Wildflowers of South Dakota:

0 of 0 people found the following review helpful. Handy Little GuideBy Eclectic InterestsThese are so handy for quickly identifying common species found in South Dakota. They are tri-folded and laminated so they are easy to store and are well protected for sticking in a pack or just keeping in a vehicle. The kids love to see a plant or animal and then find out what they're looking at. I'm sure they are not completely thorough but they do help you with the most commonly seen species.

The South Dakota Nature Set offers the best in wildlife and plant identification for The Mount Rushmore State. The set includes three Pocket Naturalist Guides to South Dakota, Trees Wildflowers, Birds, and Wildlife, and is attractively packaged in an acetate bag. The beautifully illustrated folding guides highlight well over 300 familiar and unique species and include ecoregion maps featuring prominent wildlife-viewing areas and botanical sanctuaries. Laminated for durability, Pocket Naturalist Guides are lightweight, pocket-sized sources of portable information and ideal for field use by novices and experts alike. Made in the USA.
