If you are traveling to Seward or the Kenai Peninsula in Alaska this is the guide to have. My buddy and I spent a week in the Seward area on two different occasions. We fished the ocean, hiked the many beautiful trails in the area and fished a few of the remote and not so remote lakes in the Seward area. If you would like to know more about our trip (do's and don't's) let me know. You can write me at apfishon@verizon.net.

Offers details on these sometimes harsh routes in the final frontier. Each listing, whether a trail designed for the canoeist or the hiker, gives length, unique attractions, trail conditions, degree of difficulty, facilities en route, elevation gain and the local U.S. Forest Service contact. Over 100 trails and 60 cabins are covered.
