Southeast Asia, as covered in this guide, includes Myanmar, Malaysia, Laos, Thailand, Vietnam, Sumatra, Borneo, Cambodia, the Philippines. From incredible mountains to lush mangroves, a vast range of wildlife can be found throughout this area's diverse eco-regions. Southeast Asia Wildlife is the essential pocket-sized, reference guide to have while traveling here. This wonderfully illustrated guide highlights over 140 familiar species of birds, mammals, reptiles, and amphibians with detailed descriptions. A back panel map showing the most prominent wildlife viewing hotspots is also included. Laminated for durability, this guide will conveniently fold to fit into a pocket for quick and easy access.

About the Author Zoologist Jim Kavanagh has made a career out of introducing novices to plants, animals, the sciences and world cultures. In addition to creating over 500 simplified nature guides, he has also authored guides to languages, cities and outdoor skills. An avid traveler and backpacker, Kavanagh's path has taken him around the world to many remote destinations including the upper , Africa, Australia, and the Arctic Circle (and this is just the As). He is also the author of a series of state-specific guides to common species and natural attractions and a children's book on evolution. With 650+ titles in print and 6.5 million copies sold, Waterford Press publishes the largest line of folding-format reference guides in the industry. Our mission is to connect people to the natural world by making knowledge about wildlife identification, outdoor recreation, travel, and safety and survival skills accessible to a wide audience.
