Kathy Strong : Southern California Off the Beaten Path: A Guide to Unique Places (Off the Beaten Path Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Southern California Off the Beaten Path: A Guide to Unique Places (Off the Beaten Path Series):

0 of 1 people found the following review helpful. Kind of SuperficialBy Bill B.I had a short trip to California so I wanted to do something different. i had lived there years ago and done a lot of stuff.I hoped this book would have some good ideas. Not so. Some was stuff I had done. Other were arcane Did not hit upon a single good idea that was new and fun. Whale watching would have been fun if the weather had cooperated.0 of 3 people found the following review helpful. a mustBy waterladieif travel and haven't read one of these books you didn't see that state.these are a must in the travel pack.10 of 10 people found the following review helpful. Avoid this book!By William LangWe relied on "Southern California Off the Beaten Path" for several stops on a recent trip to San Diego and environs, and found the book's information seriously misleading. The author seems to find places quaint and charming that we thought dump, commercial, or just very unattractive, and we cancelled at least one reservation because we didn't want to spend the night on a noisy commercial [area], completely unrecognizable from the book's description. We wondered if it had been compiled from Chamber of Commerce handouts. There's lots of good information on the area; really, skip this one.

For travelers looking to avoid crowd, this guide will help them discover the unique "must-see" attractions of the southern Golden State. Go beyond the usual tourist attractions to discover such hidden treasures as the Giant Chessboard, the Bob Baker Marionette Theater, and the Aerie Sculpture Garden and Gallery. Dividing this southern portion of the state into six distinct sections, this handy, fully-updated guide is indispensable for the traveler looking to stay far from the madding crowds. Whatever you do when you get to southern California, get off the interstate-and take this book with you!

From the Back CoverFor travelers looking to avoid the crowd, this guide will help them discover the unique 'must-see' attractions of the Golden State. Go beyond the usual tourist attractions to discover such hidden treasures as Arciero Winery, the Malibu Lagoon Museum or Glen Ivy Hot Springs. Whatever you do when you get to Southern California, get off the interstate-and take this book with you! (5 1/2' X 8 1/2', 256 pages, maps, index, illustrations, lists)
