**Zo Cano : Southern Escapades: On the Roads Less Travelled** before purchasing it in order to gage whether or not it would be worth my time, and all praised Southern Escapades: On the Roads Less Travelled:

2 of 2 people found the following review helpful. Googled routes mentioned more than once.By Glenn B.We visit this area of the country several times a year, and always look for off highway routes. The route similar to "tail of the dragon" was enough for me to feel good about the book purchase. Bought the first book as well, and I'm looking

forward to reading it soon. 1 of 1 people found the following review helpful. Now time to travel myself. By Michael Jilcott Just reading about the travel makes me want to drive the route myself... Just new to the motorcycle traveling. Now I have places to go... Not like the other books.. All out west. Now something for the South. Heart writer. 0 of 0 people found the following review helpful. Zoe has a great way of capturing both the spirit of the ride ... By Aaron Heinrich This is a part of the US I've not traveled in, and to read about it from the POV of a Brit on the road on a British bike makes it truly unique. Zoe has a great way of capturing both the spirit of the ride and what she sees and feels along the way. Well worth the read.

A classic road trip with a difference. As an encore to her recent cross-country ride, Zo calls on her loyal road dog friend to join her for part of a 2000 mile odyssey on two British retro motorbikes.

About the Author Zo Cano, whose name means Life, is an adventurous traveller, writer, and photographer.
