Bruce Roberts, Ray Jones : Southern Lighthouses, 3rd: Outer Banks to Cape Florida (Lighthouse Series)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Southern Lighthouses, 3rd: Outer Banks to Cape Florida (Lighthouse Series):

0 of 0 people found the following review helpful. Never had the book on my hands.By LittleStripesAnd the reason is it was a gift from my husband and me to a friend. But he loved it so much that he's eager to go and see the lighthouses for himself and his wife, so I assume the book is attractive and have useful information. Hope we can plan (and do) the trip as soon as we can.0 of 0 people found the following review helpful. Well pleasedBy Carl MeilingerVery happy with the service and was pleased to be able to find and receive the book. Will use you again when looking for books.0 of 0 people found the following review helpful. Want Hardback copy for our library as the packback is falling apartBy Grace 2 UI think this may be my favorite of all the books on Southern lighthouses that I have seen. Beautiful

photography. Substantial factual information. Our paperback copy is falling apart in our library, I need a hardback copy and it appears they aren't available or are they?

Southern Lighthouses combines the fascinating history and lore of lighthouses with stunning color and black-and-white photographs. The stories of the most significant coastal lighthouses from North Carolina to Florida come alive in the stirring profiles and photos contained in these pages.

From the Back Cover Southern Lighthouses is the classic guide to the most significant lighthouses in the Carolinas, Georgia, and Florida. Through stirring historic accounts and stunning color and archival photographs, the stories of more than thirty-five lighthouses come alive in vivid detail. Each light - from Bodie Island Light on the Outer Banks to the Cape Florida Light outside Miami tells its own engrossing tale of survival. Not to be overlooked is the authors' special full-color section on Fresnel lenses. Discover the rich history behind these majestic sentinels, and learn more about visiting them. Inside you'll find practical information including: a regional map showing the location of each light; directions to the lights; details on access and visiting hours; advice on the best vantage points for viewing and picture taking. Bruce Roberts is a freelance photographer whose work has appeared in Life, Sports Illustrated, and Time-Life books. He was director of photography at Southern Living magazine. Ray Jones has served as editor for Time-Life books, founding editor of Albuquerque Living magazine, senior editor and writing coach at Southern Living magazine, and publisher of Country Roads Press.
