Sportsman's Connection : Southern Wisconsin Fishing Map Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Southern Wisconsin Fishing Map Guide:

0 of 0 people found the following review helpful. Excellent resource well done! I would recommend this book for boaters and also fisherman. By Douglas R. Hofstetter Are you tired of searching for topographical lake maps on the internet and printing them out one at a time? Then this book is for you! This book provides not only topographical maps of the lake bottoms, shape, some bottom structure, general water condition/color but also provides local comments on the condition of the fishing and what to expect from species present, to best areas to fish for them. It also indicates lake access and launches. I will not hesitate to purchase the other volumes that cover the other parts of Wisconsin lakes. A very good and reliable resource if you do not know these lakes. The book is made of pretty good quality paper. Its covers are glossy hard stock paper and can withstand a bit of water splashing on them. After all, you would have this book in your boat! I would recommend carrying it in a plastic bag however to keep water and rain

from damaging it.0 of 0 people found the following review helpful. Old book. False description.By Jody SchultzThis book is from 2002. It's NOT "newly updated" as described. The new version is 2016.0 of 0 people found the following review helpful. DisappointingBy CustomerDoes show alot of detail for big lakes but I was very disappointed how little to no detail is shown for many smaller lakes. Also no waterproof pages, not something to take on the boat which is where you want to use it

The newly updated Southern Wisconsin Fishing Map Guide is a thorough, easy-to-use collection of detailed contour lake maps, fish stocking and survey data, and the best fishing spots and tips from area experts. Fishing maps, detailed area road maps and exhaustive fishing information are provided in this handy, 224-page, 8 x 11 spiral-bound volume. Milwaukee, Madison and La Crosse area anglers, this one's for you! Lake maps and fishing information for 170 lakes in southern Wisconsin, with Lake Michigan shoreline and extended Mississippi River coverage. 30 Counties are covered in this volume: Buffalo, Columbia, Crawford, Dane, Dodge, Fond du Lac, Grant, Green, Green Lake, Iowa, Jackson, Jefferson, Kenosha, La Crosse, Lafayette, Marquette, Milwaukee, Monroe, Ozaukee, Pepin, Racine, Richland, Rock, Sauk, Sheboygan, Trempealeau, Vernon, Walworth, Washington and Waukesha. Whether you're fishing the Mississippi River for catfish, the Madison Chain for muskies or Big Green for lakers, you'll find all the information you need to enjoy a successful day out on the water on one of Wisconsin's many excellent fisheries. Know your waters. Catch more fish with the Southern Wisconsin Fishing Map Guide.
