**Allison Arieff, Bryan Burkhart : Spa (Taschen 25th Anniversary)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Spa (Taschen 25th Anniversary):

0 of 0 people found the following review helpful. Great ResourceBy HR Inc.This is a great resource book especially for those who are thinking of establishing their own spa. Lots of wonderful options and ideas to get.I have actually recommend it to a friend of mine and he Loves it.Health Redefined Inc.St Lucia West Indies1 of 1 people found the following review helpful. Description Not AccurateBy Brian Austinbook, does not have any prices or spa menu as listed in the description. For each spa there are a couple of pictures and very vague description. lame!!!0 of 0 people found the following review helpful. Nice giftBy shopMomBought as a gift for my father who loves to travel and loves the spa. He really enjoyed looking through this book and choosing his next destination.

Some of the world's most exceptional historical, thermal, thalassic, wellness and health resort, new age, adventure, day, and hotel spas from around the world are reviewed in this volume that also contains pricing, service, and contact information.

About the Author Allison Arieff is the Editor in Chief of Dwell and was the magazine's founding Senior Editor. She is the co-author of Prefab and Trailer Travel: A Visual History of Mobile America, and the editor of numerous books on art and culture including Airstream: The History of the Land Yacht, Hatch Show Print: The History of A Great American Poster Shop and TASCHEN's Cheap Hotels.
