way of pitching the reader throughout the whole book, as if the reader were to sit in on a seminar, to buy the author's program. The author fails to identify "key" elements to be successful at doing this, such as specifics to who to contact and how to present yourself for ultimate success. I was disappointed with the overall presentation in the book, because the author makes it clear that he wants you to buy his program. I am all for making a sale, but this book is far too "pitchy" for me. When I invest in a book, I expect to get at least some help with reaching my ultimate goal. This author's sole purpose is to sell you his program, and he makes that obvious. This is NOT a How-To book, but rather, a book aimed more for an introduction to the idea. The author leaves the reader to figure out the missing pieces of the puzzle on their own. 2 of 2 people found the following review helpful. Fair Book By Bob Rice The book came about 12 hours after I ordered it. The first half was helpful. The second half quoted a very inauthentic conversation that was a waste of time. I sense that the author included the conversation as a way to fill up the book. If you want the benefit of some one's experience before applying to become a guest speaker check out the ideas in this book. Bob R -- NYC 1 of 1 people found the following review helpful. Before you set sail By Juliet Gill Not a great literary work, but unique: it's full of helpful leads on how to go about landing a speaking gig on a cruise ship. I found it realistic about the leg-work and expertise required. It should be required reading even for some of the speakers I've met on cruises whose talks were beyond boring.

"Imagine Taking FREE Luxury Cruises Anytime You Want Anywhere You Want -- for the Rest of Your Life!!" Here's the unvarnished truth... Getting FREE cruises isn't rocket science. Any reasonably intelligent person can do it including YOU. All it takes is a step-by-step plan. You see, cruise lines are constantly scouting for properly prepared people who will share their passions, hobbies, or craft projects with other passengers as an onboard speaker or arts and crafts leader! This book explores the opportunity in depth. You'll understand why and how the free cruise deal exists and how-to get started. To make sure you get started cruising free -- the book offers FREE trial bonus coaching from the author, Daniel Hall (see page 146.)

About the Author Daniel Hall is just like you. Until he accidentally learned about cruise ship enrichment programs he had no idea that you could cruise free by giving onboard presentations or leading activities. Fortunately, he learned the secrets of being approved by the cruise lines to cruise free. In fact, he was taking so many free cruises that friends and colleagues began to ask how he was able to do it. Because he was spending so much time explaining the process he finally decided to write it down. Eventually, that effort would become the critically acclaimed program "Speak on Cruise Ships" In addition to cruise speaking Daniel has a wide array of interests, talents and achievements. For example, he holds degrees and licenses in both law and nursing, having graduated from Texas Tech University, School of Law and the University of Texas at El Paso, College of Nursing. Currently, Daniel earns his living practicing law, speaking and running multiple online businesses which include: Travel Make Money (it's not hard when you know how) check out <http://www.TravelMakingMoney.com/> Get great eBay bargains by using the misspelling tool at <http://www.DealzORama.com/spelling.php> Author of the future bestseller "The Ultimate Guide to Second Chances: Legal Ways to Erase or Hide Your Criminal Background" <http://www.UltimateSecondChance.com/> Hire Daniel to speak for your group <http://www.DanielHallPresents.com/> Convert spare time into \$\$\$ earning time by taking surveys at <http://www.EarnSurveyIncome.com> Daniel loves the sea and happily lives on Oso Bay in Corpus Christi, Texas with his lovely wife Lanette and two sons Jamey and Jeremy.
