Tim O'Hagan : Spectacular South Africa before purchasing it in order to gage whether or not it would be worth my time, and all praised Spectacular South Africa:

Spectacular South Africa combines exquisite photographs of South Africa with informative captions given in three different languages. Each page is dedicated to a single photograph illustrating the diversity and splendor of South African plants, animals, landscapes and people.

Language Notes Text: English, French, German About the Author Tim O' Hagan lives in Cape Town. He is a writer and a poet and has published two other travel titles on Southern Africa.
