I really enjoyed Schlosser's latest book. I own the whole series, and I read Spooky New York as soon as it arrived from (which happened to be a traditional dark and stormy night.) There were a couple of stories, High Hat and the Hermit's House in particular, that troubled my dreams that night! Of course, typical of Schlosser, there were also some characters that made me chuckle out loud. Quite a number of stories took place around New York City. I had no idea that Central Park, the Empire State Building, and Ellis Island had ghost stories associated with them. Also, Captain Kidd left buried treasure on Liberty Island, the Devil had a fiddle contest in Brooklyn, a monster once roamed Wall Street, and a Revolutionary War hero rose from his Bronx grave to defend his widow and baby son. Highly recommended!

This is one of the best Spooky books around! The majority of the stories in Spooky New York have morals tied to their endings so you actually finish the story by learning a lesson. There are some very genuine scary stories in this edition that people will enjoy. Those stories are Observatory, The Satin Dress, The Hermit's House and High Hat. I think that the stories that have the best morals are Redemption, The Poker Game, The Gold Tooth, Baker's Dozen and The Loup-Garou's Debt. I recommend this book for all those Spooky fans out there and also for those who want to know some folklore from New York!

I chose five stars because I am, and so is my daughter into the paranormal. It has a lot of interesting legends surrounding various parts of New York. I would also recommend Spooky California. (:

Pull up a chair or gather round the campfire and get ready for thirty creepy tales of ghostly hauntings, eerie happenings, and other strange occurrences in New York. Set in the Empire State's big cities, historic towns, rugged lakes, and sparsely populated backwoods, the stories in this entertaining and compelling collection will have readers looking over their shoulders again and again. New York's folklore is kept alive in these expert retellings by master storyteller S. E. Schlosser and in artist Paul Hoffman's evocative illustrations. Readers will meet the White Lady of Rochester, dance to the rival fiddlers in Brooklyn, hear otherworldly voices in the Catskills, and run into the things that go bump in the night on Long Island--or simply feel an icy wind on the back of their necks on a warm New York evening. Whether read around the campfire on a dark and stormy night or from the backseat of the family van on the way to grandma's, this is a collection to treasure.
