S. E. Schlosser : Spooky South: Tales of Hauntings, Strange Happenings, and Other Local Lore before purchasing it in order to gauge whether or not it would be worth my time, and all praised Spooky South: Tales of Hauntings, Strange Happenings, and Other Local Lore:

3 of 3 people found the following review helpful. Gave me shivers!By A CustomerA super collection of scary ghost stories from down South. There are famous haunts like the Bell Witch from Tennessee, Blackbeard's ghost who roams Ocracoke Inlet in North Carolina, and the Army of the Dead in Charleston. There are also some not-so-famous but equally scary tales like the Wampus Cat, Hold Him Tabb, and the Devil's Mansion. These are great stories to tell around the campfire!Another thing I liked about the book was the way the author threaded humorous moments into many of the stories. I laughed aloud when I read I'm Coming Down and Wait Until Emmet Comes.The book has lovely illustrations that go with each story, and a map showing the towns and locations from which the tales originated.Can't wait to see more books from this author.0 of 0 people found the following review helpful. the book did not have the specific story I was ...By Bobby J.the book did not have the specific story I was looking for, even though it was listed in the description.1 of 1 people found the following review helpful. Buy it!By Paula TWonderful, engaging stories of Southern hauntings. A great read!

Here we have a collection of unnerving tales of events that happened--and still do happen--in the collective back yard of the Deep South states. Accompanied by evocative illustrations, these compelling retellings of 30 popular folktales feature supernatural occurrences and ghosts of all sorts, from fiddling ghosts to the story of the Jack o'Lantern. Whether read around the fire on a dark and stormy night or in the backseat of the family van on the way to Grandma's, each expertly told tale is guaranteed to make readers look at the South--and over their shoulders--again and again.
