**S. E. Schlosser : Spooky Southwest: Tales of Hauntings, Strange Happenings, and Other Local Lore** before purchasing it in order to gage whether or not it would be worth my time, and all praised Spooky Southwest: Tales of Hauntings, Strange Happenings, and Other Local Lore:

A collection of 30 folktales highlighting famous and not-so-famous Southwestern ghosts, mysterious happenings, powers of darkness, and wonders of the invisible world.

review of Spooky New England:\*\*\*\*\* A great read!, September 23, 2003 er: A reader from Chicago, IL The ghost stories in this collection are spooky indeed! This book is a fast read, with great illustrations and stories that will keep you coming back again and again. My favorite stories are The Telltale Seaweed from Cape Cod, The Loup Garou from Rhode Island and At the Sign of the Sir Charles which has a trick ending!Some of the stories are scary, some eerie, and some of them made me laugh. This book would be great to take camping -- the stories are perfect for reading around a campfire.Hope we see more from this author.
