John V. Young : State Parks of Utah: A Guide and History (Bonneville Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised State Parks of Utah: A Guide and History (Bonneville Books):

0 of 0 people found the following review helpful. but its a good resource, written by someone who caresBy Flora Bookreaderthe information is a little dated, but its a good resource, written by someone who cares.

This book is an essential companion to the traveler in Utah - where the state parks are so rich in history, varied in beauty, and abundant in recreational opportunity. Copiously illustrated, this guide will make even first-time visitors feel like experts on details of Utah's forty-eight state parks.
