Steven B Stern : Stern's Guide to European Riverboats and Hotel Barges (BW) before purchasing it in order to gage whether or not it would be worth my time, and all praised Stern's Guide to European Riverboats and Hotel Barges (BW):

0 of 0 people found the following review helpful. A great resource.By Ron CohnAnswered all my questions in advance, and was valuable tool in planning what turned out to be a memorable trip. Recommend it highly.0 of 0 people found the following review helpful. Two StarsBy Debbie HarveyHard to read...dated...confusing...I threw it

away!

This comprehensive guide, now in its third annual edition, lists descriptive information for every European riverboat and hotel barge, including vital statistics, stateroom size, descriptions of public areas, dining and shipboard facilities, and itineraries. Each vessel is evaluated as to comfort and luxury. Hundreds of photos of the vessels exterior and interiors are included, as well as sample menus and daily programs. Several chapters are devoted to descriptions of the cities and villages visited by riverboats, and the regions and villages visited by hotel barges, along with descriptive photographs.
