**Steven B Stern : Stern's Guide to European Riverboats and Hotel Barges (Stern's Guide to European Riverboats and Barges)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Stern's Guide to European Riverboats and Hotel Barges (Stern's Guide to European Riverboats and Barges):

0 of 1 people found the following review helpful. Search online for better information before you buy this book.By

SuzanneNot of much value for hotel barge trips. Describes most of the barges, but you can get more information and many more photos online. It does have about 30 pages of descriptive information on the six main canals and connected secondaries, but this works out to about 5 pages per each. You'll eventually have to go online to get in-depth information. Search online before you buy this book.

This comprehensive guide lists descriptive information for every European riverboat and hotel barge, including vital statistics, stateroom size, descriptions of public areas, dining, shipboard facilities, and itineraries. Each vessel is evaluated as to comfort, and luxury. Hundreds of photos of the vessels exteriors and interiors are included, as well as sample menus and daily programs. Several chapters are devoted to descriptions of the cities and villages visited by riverboats, and the regions and villages visited by hotel barges, along with descriptive photographs of each. This is the first and most complete guide to river and barge cruising in existence. Updated annually by Steven B. Stern who is the ultimate authority on all forms of cruising. Having written 28 annual editions of the universally acclaimed "Stern's Guide to the Cruise Vacation", he has now written his 4th annual edition of this guide devoted to the riverboat and barge experience, the fastest growing segment in the cruise industry.

"Steven Stern has an encyclopedic knowledge of the cruise world in general and riverboat and barge cruising in particular, with a great understanding of the different lines and their products. This guide is a must for both new and veteran riverboat and barge travelers." ---World of Cruising Magazine "Finally someone has written a definitive travel guide covering an ever growing and popular, yet seldom covered, segment of the cruise industry. This is compulsory reading for anyone interested in a riverboat or barge cruise" --Official Steamship Guide International
