Adam Richman : Straight Up Tasty: Meals, Memories, and Mouthfuls from My Travels before purchasing it in order to gauge whether or not it would be worth my time, and all praised Straight Up Tasty: Meals, Memories, and Mouthfuls from My Travels:

2 of 2 people found the following review helpful. Solid By Ian S. Excellent cookbook. I thought it was more in the vein of his first book, with more narrative, but if you're a fan of his it's good stuff. 0 of 0 people found the following review helpful. Straight up entertaining! By DealsAmongUs If you are a fan of Adam Richman you will love this book. Not only is it filled with anecdotes but full of yummy recipes! This would be a fun book for someone who just moved out and needs a fun cookbook/memory book! 1 of 1 people found the following review helpful. Five Stars By Karen E Murray Huge Adam Richman fan. Use many recipes again and again.

The much anticipated first cookbook from Adam Richman, the irreplaceable host of Man vs Food and NBC's Food

Fighters, delivers what his fans have been waiting for: a heaping helping of over-the-top flavors with a side order of the erudite humor that is his trademark. Having eaten his way from coast to coast and around the globe, Adam Richman has learned more than a little bit about what makes food taste good. He draws on all that knowledge and his lifelong dedication to seeking out memorable flavors and eating experiences in this high octane collection of dishes that are, quite simply, straight up tasty. The more than 100 diverse, dazzling, and downright delectable recipes reflect the flavor combinations, techniques, and ingredients Adam has encountered in his nonstop travels, all translated into easy-to-use recipes perfect for the home cook, and all given a distinctive Richman spin. But Straight Up Tasty is much more than a scrapbook of Adams culinary expeditions; it offers the perfect foodie flavor bomb for every occasion from a crowd-pleasing spread for game day to a turbocharged holiday feast. Along the way he holds forth on topics as diverse as where to encounter the nations best burgers and why the best thing on a restaurant menu isnt always what you might think; delivers helpful advice on kitchen prep in haiku form; and recounts the history of chocolate in rhyming couplets. And did we mention Candied Bourbon Bacon? Youll find those delectable tidbits and oh so much more in Straight Up Tasty, a cookbook that could only have come from the passionate palate and irrepressible enthusiasm of Americas ambassador of flavor, Adam Richman.
