Lynne L. Hall : Strange But True Louisiana before purchasing it in order to gage whether or not it would be worth my time, and all praised Strange But True Louisiana:

Wacky wonders and strange sights you won't see anywhere else fill the pages of Strange But True Louisiana. In fact, you never know what's around the next bend in the road in Louisiana. Could be the Frog Capital of the World. Could be the world's smallest church. Could be cities of the dead? From an oil and gas festival to the voodoo queen, it's all here, it's all strange, and believe it or not, it's all true!
