Lynne L. Hall : Strange But True Mississippi before purchasing it in order to gage whether or not it would be worth my time, and all praised Strange But True Mississippi:

0 of 0 people found the following review helpful. Hauntings and funBy MarthaIt's a small book and I perused it for a couple of days and will return to it. I enjoyed the stories about the haunted Delta area plantations. as well as other tid bits I didn't know. History of the Mississippi River and overall view of the areas I found helpful. No sources or biblio was listed.2 of 2 people found the following review helpful. Informative about MS if you can get it for low, low price.By University DocI found this book in the humor section of our local book store at a great low, low price. Since we just relocated to the beautiful, lush state of Mississippi, we couldn't resist the purchase. It is a bit dated being published in 2007, but it it still an interesting read of 144pages. It is a small sized book, a little bit larger than a dime novel. All in all, this was a great little purchase, if you get it at a very low price. I wouldn't pay more than a couple of books for it. It isn't worth more than that.1 of 1 people found the following review helpful. strange but true

mississippiBy chrisI, bought this book .strange but true mississippi.it, was so interesting until i read it within one day.i, live close to starkville, and tupelo ms.have plans this summer to go see those interesting facts that were written about those town.if you have not read the book .buy it.I, LOVED IT.

Wacky wonders and strange sights you won't see anywhere else fill the pages of Strange But True Mississippi. In fact, you never know what's around the next bend in the road in Mississippi. Could be the Mardi Gras Museum. Could be catfish on parade. Could be a singing river? From a town full of characters from the Wizard of Oz to a floating lantern light, it's all here, it's all strange, and believe it or not, it's all true!

About the AuthorLynne L. Hall is well acquainted with the people, places, and things that make Mississippi such an interesting and fun place to live and visit. She has worked as a freelance writer for over 20 years, and her work has appeared in Cosmopolitan, Penthouse, Popular Science, Physical, and many other magazines. She also works as a professional firefighter in Birmingham, Alabama. Her hobbies include horseback riding, scuba diving, and riding her Harley RoadKing.
