**From Rand McNally : Streets of Shreveport, Bossier City (Rand McNally Streets Of...)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Streets of Shreveport, Bossier City (Rand McNally Streets Of...):

This detailed map of Shreveport and Bossier City, Louisiana has complete coverage for the cities and surrounding area, with an inset map for downtown, plus most major tourist and business districts. When you flip the map over, you will find a complete street index and a "city and vicinity" map of the entire metro area.
