VanDam's award winning NYC StreetSmart Classic Movie TV Edition is the ultimate guide for film and TV aficionados in New York City. It maps all top attractions including shopping, major architecture, hotels, theatres, the subway system for all of Manhattan - all at an immensely legible super-scale of 1:32,000, complete with 3-D building illustrations. Clear information design allows users to read the map from three feet away and has earned VanDam maps a place in the MoMA Collection. The NYC StreetSmart Classic Movie TV Edition includes a stunning dimensional detail of all of Manhattan. Also includes transit information. StreetSmart maps are updated several times a year and are more current than any other map available. Simplicity reigns supreme in information design to make complex cities clear and understandable. Our typography creates character and reveals the true bones of the vertical city. VanDam uses a letter grid to identify locations on maps - no confusing and cluttering K-28 or V-34s - its just the city from A-Z. Our covers map the icons of each city and turn them into collectible graphic art. Each sleek and laminated city map package opens to 32" x 9" and then easily folds down to 4" x 9" to snugly fit into a shirt pocket or purse. Gain instant NYC StreetSmarts and a sexy souvenir to boot!
