INGENUOS MAP - GO AND BUY IT!By sanda sandaThe StreetSmart NYC as a guide to NYC in 2.5days - that's an ingenious idea for such a city like NYC - people are coming here visiting and don't know very well what to chose and where to go first - the map has all you need - the most important and MUST-SEE places and venues - and all in the palm of your hand!And it so easy to handle - and has the perfect size for the pocket, bag, etc.It is the perfect map you don't want to miss and I wish there would be something like that for ALL big cities in the world - a SMART map!!0 of 0 people found the following review helpful. It makes touring the city all the more fun.By Bryan CerdaThis is probably the most creative idea for map. It has an actual guide to touring the city, giving you a path to follow so that you have the full experience because New York has so much to do and it's hard to know where to start. It makes touring the city all the more fun.

VanDam's award winning NYC StreetSmart 2.5 Edition is the ultimate guide for 2.5 fun-filled days in New York City. It maps all top attractions including shopping, major architecture, hotels, theatres, the subway system - all at an immensely legible super-scale of 1:32,000, complete with 3-D building illustrations. Clear information design allows users to read the map from three feet away. VanDam packs an incredible 6 curated walks that are native New Yorker favorites into a carefully planned two and a half day schedule. Follow this and you're guaranteed to see all of the best New York City has to offer. Includes: 1. The fashionable Flatiron District 2. Theatres and dinner in Times Square 3. Art and the Highline in Chelsea 4. Shopping in Nolita 5. Cocktails and Music near Lincoln Center and Columbus Circle 6. A walk through Central Park and the Metropolitan Museum of Art The NYC StreetSmart 2.5 Edition includes a stunning dimensional detail of all of Manhattan. Also includes transit information and an NYC Essentials list to help find you the best uniquely New York hotels, bars, music, shopping, and views! StreetSmart maps are updated several times a year and are more current than any other map available. Simplicity reigns supreme in information design to make complex cities clear and understandable. Our typography creates character and reveals the true bones of the vertical city. VanDam uses a letter grid to identify locations on maps - no confusing and cluttering K-28 or V-34s - its just the city from A-Z. Our covers map the icons of each city and turn them into collectible graphic art. Each sleek and laminated city map package opens to 32" x 9" and then easily folds down to 4" x 9" to snugly fit into a shirt pocket or purse. Gain instant NYC StreetSmarts and a sexy souvenir to boot!
