Stephan Van Dam, illustrator, Editor : StreetSmart The Bronx Map by VanDam - City Street Map of The Bronx, NY - Laminated folding pocket size city street map of the Borough of the Bronx ... sights, museums and hotels plus subway map

before purchasing it in order to gauge whether or not it would be worth my time, and all praised StreetSmart The Bronx Map by VanDam - City Street Map of The Bronx, NY - Laminated folding pocket size city street map of the Borough of the Bronx ... sights, museums and hotels plus subway map:

0 of 0 people found the following review helpful. Good that there is a laminated map just of the BronxBy dave strasburgIt is great that there is a laminated map just of the Bronx. This one has what it takes, showing the City's only Mainland borough in great detail. Unfortunately, however, the map lacks clear details on subway routes. There are similar maps also of Brooklyn and Queens; but strangely, and regrettably, none of Staten Island.1 of 1 people found the following review helpful. Get it while you canBy Ken McCarthyThe "other" smart map company has apparently stopped printing a Bronx edition - which is crazy - and this one is in perennially short supply.The Bronx is an integral part of New York City with a rich cultural history. Hip hop and salsa were born there among other things.The other good thing about the Bronx is it's entirely hipster free. Imagine that. An entire NYC borough that doesn't just act cool. It IS cool.City Island, Van Cortlandt Park, the New York Botanical Garden, the Bronx Zoo, more park space per resident than any other borough, great mass transit, multi-varied ethnic neighborhoods with great food. It's even got rents that make sense.Since the Bronx is not laid out on a grid, having this map in your pocket is an invaluable navigation aid.2 of 2 people found the following review helpful. CompactBy John, The BronxIt's great to have a map that is this compact. When opened it is one page with two sides, which cuts The Bronx in half. That makes it very easy to handle and carry in one hand for easy reference.

VanDam's award winning The Bronx StreetSmart maps all top attractions including museums, major architecture, hotels, historic sites, shopping centers and more - all at an immensely legible super-scale, complete with 3-D building illustrations. Clear information design allows users to read the map from three feet away and has earned VanDam maps a place in the MoMA Collection. The Bronx StreetSmart includes a stunning dimensional detail of Pelham Bay Park, Parckchester, Mott Haven, Throgs Neck, and City Island. Edition also contains MTA Subway MetroNorth Stations to help you navigate to the rest of The City of New York. Simplicity reigns supreme in information design to make complex cities clear and understandable. Our typography creates character and reveals the true bones of the vertical city. VanDam uses a letter grid to identify locations on maps - no confusing and cluttering K-28 or V-34s - its just the city from A-Z. Our covers map the icons of each city and turn them into collectible graphic art. Each sleek and laminated city map package opens to 24" x 9" and then easily folds down to 4" x 9" to snugly fit into a shirt pocket or purse. Gain instant Bronx StreetSmarts and a sexy souvenir to boot!

...A Connoisseur's Map! --USA TodayFor savvy travelers. --Playboy MagazineThe Map. --The New York TimesAbout the AuthorStephan Van Dam, AIGA is an award-winning cartographer, graphic designer, and information architect. He is the president, principal and creative director of New York-based VanDam Publishing. Twenty-seven of his maps are in the MoMA Collection. The universal power of maps has been his guiding passion for the past 25 years and fuels his desire to tell stories and construct new realities through maps in all media. He's has mapped over 85 world cities, and holds several patents in the field of paper engineering and origami map folding. His work has been honored by the Industrial Design Society of America (IDSA), the American Institute of Graphic Arts (AIGA), the editors of ID magazine and has been featured on national television and been sighted in numerous feature films.
