Frank Daignault : Striper Hot Spots--New England: Top Surfcasting Locations from Rhode Island to Maine
before purchasing it in order to gage whether or not it would be worth my time, and all praised Striper Hot Spots--New England: Top Surfcasting Locations from Rhode Island to Maine:

1 of 1 people found the following review helpful. Good read...good infoBy Charles WilloughbyLots of spots...and worth learning them if you don't have a boat.1 of 2 people found the following review helpful. DisappointingBy DudeCatBook is titled "Striper Hot Spots", and thought that by paying for information, the author would have tossed in a bone or two, and mention a handful of specific locations. Instead, only general locations were mentioned, which is common knowledge This is my first season striper fishing, and I know many of the spots mentioned around my area - all of which were freely obtained just by talking to other striper fishermen, or stopping into a bait store and asking the proprietor. Additionally, the tips mentioned in the book are worthless to fly fishing. Again, I can get more detailed information for free at any fly fishing retailer or just by talking to other fly fishermen.2 of 4 people found the following review helpful. An invaluable tool for any traveling fishermanBy Midwest Book ReviewThe concepts may be the same, but every spot has tricks to make the most of the spot. "Striper Hot Spots: Top Surfcasting Locations from Connecticut to Maine" is a guide for fishermen who want to get an edge on fishing throughout New England to catch the most fish in these cooler waters and up to coast. With tips and tricks on everything from tackle to seasons and more, "Striper Hot Spots" is an invaluable tool for any traveling fisherman. Also recommended is the mid-Atlantic addition of this series, "Striper Hot Spots: Mid-Atlantic: Top Surfcasting Locations from North Carolina to Connecticut".

Detailed guidance to prime fishing locations throughout New England, including such legendary fishing grounds as Block Island, Nantucket, Martha's Vineyard, Cape Cod, and many more. Includes sage advice on technique and tackle.

"Frank Daignault has masterfully cataloged the entire striper coast through both experience and informed investigation." --Bob D'Amico, Publisher, StriperSurf.com "In this comprehensive directory, Daignault has divulged the real secrets of the striper old-timers." --Jerry McGinnis, Retired Producer, ESPN's "The Fishin' Hole" "This book is like having a flesh-and-blood fishing guide stashed at all the best places along the Striper Coast." --Jerry Gibbs, Fishing Editor emeritus, Outdoor Life Magazine "Daignault has taken the looking out of hunting stripers." --Al Ristori, Field Editor, The Fisherman Magazine About the Author Frank Daignault is widely acknowledged as one of America's most knowledgeable surfcasters. He is the author of The Trophy Striper and many other books, and is a regular contributor to Salt Water Sportsman, Field Stream, and many other publications. He lives in Milville, MA.
