**Caroline Wightman : Sugar Gliders (Complete Pet Owners Manual)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sugar Gliders (Complete Pet Owners Manual):

1 of 1 people found the following review helpful. You need this book! By WarriorFay I am so glad I decided to order this book! It is full of amazing facts, tips and suggestions for people who would like to own a sugar glider. I highly recommend this to anyone who is even considering adoption. 0 of 0 people found the following review helpful. Great for beginners By Lori T We've recently adopted five mature sugar gliders and this book has definitely come in handy. It's a great resource for new sugar glider owners and seems to have a lot of information I've found through other research. However, this book is limited in that it is written from a single person's perspective and doesn't necessarily address all of the challenges/issues a new glider owner may encounter. Overall, great for beginners, but still need to do your own supplemental research. 1 of 1 people found the following review helpful. Five Stars By Michelena Mangana good book an up dated version of one i already had

These popular, adorable marsupials come from the same general family as koalas and kangaroos, and are native to

Australia and New Guinea. When trained properly, Sugar Gliders are considered just as wonderful as any dog with similar intelligence, personality, and affectionate natures. Barrons Pet Owners Manual on Sugar Gliders will teach you everything you need to know about how to make life with your lovable pet comfortable and enjoyable. Includes information on housing, health care, behavior, training, grooming, and more. Illustrated with color photos and instructive line art, this must-have manual offers important advice and tips for keeping your newest family member happy and well.
