If you want a quick cheat-sheet on some of the things to do in Sunriver, feel free to consider, but if you want an updated and detailed description, I (author) highly recommend looking elsewhere :)... I now return you to the original description below: Nothing feeds the family's soul like time in Sunriver... Whether you are heading to Sunriver for the first time, a veteran of Sunriver looking for new things to do or considering Sunriver as a vacation spot, this book has tips, wisdom, resources and a list of activities for any family vacationing in Sunriver... This is the new, expanded version based on tips from readers and the Sunriver Owners Association. We are a family who has literally vacationed in Sunriver 100s of times, most recently as home owners that lived in Sunriver for the better part of a year. Although we've since returned to our former home, we continue to visit Sunriver several weeks a year. This is a list of tips, tricks and activities we've used for ourselves and passed along to our visiting friends.
