Suzy Gershman, Sarah Lahey : Suzy Gershman's Born to Shop New York: The Ultimate Guide for People Who Love to Shop

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Suzy Gershman's *Born to Shop New York: The Ultimate Guide for People Who Love to Shop*:

By Holly
I bought this for a trip to NY with a shop-a-holic teen and it was very helpful. We marked the stores we wanted to go to and then put them on a map and off we went! Most descriptions were accurate although with any book about retail, some of the stores were gone. Because we had so many it wasn't a big deal. When this guide says to go to Century 21, you should GO!

By Rosemary Hayman
This book was very useful for finding things. The tips and guidelines helped a lot. Like most guides they are often out of date before published. A few of the shops mentioned had closed or were not at the address.

By Eric Leszkowicz
There is a problem with travel books in that they try to cover EVERYthing in a city. I like books that just tell me the best places to go for what I want. This book leans towards being a total reference, but offers the shopper plenty of options. The bargain shopper needs to know one thing - Century 21 next to the world trade center site. That is about where the unbelievable bargains end. Now you can save some money on the book and spend it on shopping
One nicety about the book is that the author includes place to eat around the shopping.

The best-known shopping series on the market, Suzy Gershman's *Born to Shop* Guides offer opinionated advice from the inimitable Suzy Gershman on where to find the best stores, boutiques, markets, and values in some of the world's top shopping locales. About the Author
Suzy Gershman is a journalist, author, and self-professed shopping goddess who has worked in the fashion and fiber industry for more than 25 years. The *Born to Shop* series, which is over 20 years old, is translated into eight languages, making Gershman an international expert on retail and trade. Her essays on retailing have been used by the Harvard School of Business; her reportage on travel and retail has appeared in *Travel Leisure*, *Travel Holiday*, *Travel Weekly*, and most of the major women's magazines. She writes in French and English for *Air France Madame*, published by Cond Nast France. When not in an airport, Gershman can be found in Paris, Provence, or San Antonio, Texas.
Aaron James is a singer-songwriter who lives and sings in L.A., where he has a day job at Warner Brothers Music. He is also a contributing editor for *Born to Shop*.
Jenny McCormick has just won her graduate degree in criminal justice. She can recite your Miranda rights or steer you to the best in fashion and trends for young women.
