Keltie Thomas, April Fast : Sweden the Land (Lands, Peoples, Cultures (Hardcover)) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sweden the Land (Lands, Peoples, Cultures (Hardcover)):

0 of 0 people found the following review helpful. Kids Sweden Research By Customer, bobo. Easy to read and good pictures in this fairly brief book. Helpful for elementary and early middle school students to learn or research the Country of Sweden. 0 of 0 people found the following review helpful. very nice By hesther I wish there was more about Swedish customs. The pictures are quite good. Easy enough for my school age grandchildren. HSG

Provides details about the dramatic landscape of Sweden, from the hundreds of wooded islands along the coast, to the cold north where snow falls for eight months of the year. This work includes topics such as: rivers and lakes; the Northern Lights; the people of Sweden; and Stockholm and other cities. It is aimed at children aged 9-14 years.
