**Mr Ray Watsek Jr : Talaper's Travels: Boundary Waters: 7 Days In June** before purchasing it in order to gage whether or not it would be worth my time, and all praised Talaper's Travels: Boundary Waters: 7 Days In June:

Follow a dad and his daughter as they spend 7 days in northern Minnesota. Their story is told in journal format as they document their daily adventures Up North. From the serenity of Burntside Lodge to the hustle and bustle of Ely, these

two share a memorable vacation.
