Just stroll around and shop, sit down in a hotel lobby or try some great places to eat out! And the best thing is: you don't need to spend a single dollar. Just sit down and relax and enjoy the city where everything is possible.0 of 0 people found the following review helpful. It's definitely a show book.By latergatorI will use the suggestions on my next trip to NYC. The book is very beautifully illustrated and worth the price just for the enjoyment of paging through from time to time.0 of 0 people found the following review helpful. What I expected and more.By MaragusI bought Taschen's New York and Taschen's London. I must buy Berlin Paris editions.Amazing pictures, great presentation and quality. What I expected and more. Taschen rules.

Get the most out of New York: In New York, it's all about who you know: and now you're connected
