Bill Thompson III : Tennessee Bird Watching: A Year-Round Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Tennessee Bird Watching: A Year-Round Guide:

3 of 3 people found the following review helpful. It was pretty goodBy Nancy GThe Tennessee Bird Watching: A Year-Round Guide was okay. It is a short version of all the birds that doerside in our area. Would have liked a more comprehensive guide. A female to male side comparison wouldbe good as the sexes of the birds seem to make them different birds. Good for a starter book.9 of 9 people found the following review helpful. Wonderful bookBy the_studentThis wonderful book includes pictures, habitat descriptions, breeding habits, living and migration zones, and food preferences in a clear, concise manner. It has a wonderful index for quick reference. Very good book.5 of 5

people found the following review helpful. Tennessee Bird watchingBy CustomerThis book was very helpful. All of the birds in our area of Tennessee that we found, we were able to indentify from this book.

Like gardening, bird watching is a fast-growing regional hobby. Now, Cool Springs Press brings its proven method of successful state-specific gardening approach to bird watching guides. In collaboration with Bird Watcher's Digest, these bird watching guides provide accessible, credible advice. The birds that frequent the backyards of Tennessee differ from the birds that frequent the backyards of Florida. In addition to unique descriptions, each bird profile includes a range map to identify each bird's North American distribution. One hundred birds are profiled, each with a color photograph, to ensure accurate identification. A seasonal section informs the reader of: Migrating birds that can be seen during that seasonThe foods and plants that can attract those birdsWhere to go to view year-round and migrating birdsCool Springs Press's partner, Bird Watcher's Digest, has sold more than 4 million copies of their booklets on bird species, bird habitat, feeding, and other related topics.This series of books from Cool Springs Press targets the beginning bird watchers for ten states.

About the AuthorThompson is the editor of Bird Watcher's Digest, a bimonthly magazine with seventy thousand subscribers.
